OP2MIZE ANNOUNCES NEW PARTNER, CONTINUED GROWTH

(July 2, 2009) Northbrook, IL – Op2mize, LLC announced today that Richard M. Antczak has been accepted as a Member of the company, joining as Executive Vice President and Principal, effective immediately. Antczak will focus on growing Op2mize’s local commercial brokerage business including managing Op2mize’s sales staff. He will also support Op2mize’s unique platform of “Sustainable Intelligence” by assisting with the delivery of the company’s building innovation and green building consulting services.

“When I decided to make a move, I evaluated several alternatives including starting my own business. But when I scrutinized Op2mize’s forward-looking business plan and extensive client base, it made the decision pretty easy” stated Antczak. He added, “I look forward to continuing my track record of success at Op2mize while also learning how to harness the company’s focus on innovation and sustainability to add even more value to my clients.”

Op2mize’s President, Geoffrey M. Kasselmann, SIOR, LEED AP, said that this addition to the company is part of his controlled growth strategy. “I have been after Rich for some time now. His background in corporate real estate and commercial brokerage is a perfect fit for our growing platform” noted Kasselmann. “I am fortunate to have him here and we already have some exciting things cooking.”

Antczak, 49, spent the past eleven years with Champion Realty Advisors as a Managing Director. Prior to that Antczak spent four years with Office Max as Director of Central Region Operations and 15 years with American Stores/Jewel-Osco as Director of Logistics where Antczak handled all aspects of distribution and logistics for both companies. Antczak’s client list includes ProLogis, First Industrial, Kellogg’s USA, HPI, US Precision Glass, DP Partners, IFCO, Office Max, and Zenit Tool. Antczak is an active member of the Association of Industrial Real Estate Brokers (AIRE), a founding member of the Chicagoland Business Consortium, and holds his RECS designation (real estate commercial specialist). He is licensed in both Illinois and Florida.
